Use of Chainsaws or other Internal Combustion Engines (other than a motor vehicle) are **Not Allowed**. Generators will only be allowed, when fully contained in the bed of a pickup truck or in an area that has been cleared, at least 10 feet in diameter, of all flammable material.

Reminder: Traveling Off Developed Forest Roads and Trails is Not Allowed, except for the purpose of going to and from a campsite located within 300 feet of the open developed road. All motorized travel on roads closed by gates, barricades, berms, rocks, or logs is prohibited.

No Smoking, except within an enclosed vehicle or building, developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable material.

With tinder dry forest fuels and high daytime temperatures, conditions are prime for potential human-caused forest fires. We ask that you be extremely careful when out in the forest. For more information on public-use restrictions, contact your local
