WEATHER HIGHLIGHT

High temperatures were in the 60s and 70s across the entire Geographic Area yesterday. Minimum relative humidity values were in the 20s and 30s on the east side of the Cascades and in the 30s to 50s in the west. Light winds with were observed over most of the area with some gust in the 20s near the coast and along on the Oregon-Idaho border. There was no lightning. Initial attack was light. Existing large fires continued to show little to no growth.
