

NOTICE

PUBLIC-USE RESTRICTIONS

On the Umatilla National Forest
Beginning August 28, 2018, until further notice!

Call: 1-877-958-9663 for more IFPL and public use restriction information

Use of Chainsaws: Chainsaws may be operated only between the hours of 8 p.m. and 1 p.m. local time. A one hour fire watch is required after saw operations cease. Saw operators are required to have an axe (minimum 2 lb. head, 26" length), shovel (8" wide, 26" length), and fire extinguisher (minimum ABC 8 oz.) in their possession. *Chainsaw operation associated with commercial and personal use firewood permits are regulated under Industrial Fire Precaution levels (IFPLs) and are not impacted by this public use restriction.*

Reminder: Traveling Off Developed Forest Roads and Trails is not allowed, except for the purpose of going to and from a campsite located within 300 feet of the open developed road. All motorized travel on roads closed by gates, barricades, berms, rocks, or logs is prohibited.

No Smoking, except within an enclosed vehicle or building, developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable material.

To reduce the risk of escaped fires the following are required for campfires, charcoal briquette fires, wood stoves, portable cook stoves, portable fire pits, and gas stoves:

Campfires and charcoal briquette fires are required to be contained in an earthen pit, metal fire ring, or rock ring, with all combustible material removed within a 3-foot radius of the perimeter of the fire ring, and it must be clear of overhanging material. Wood burning stoves must be equipped with a chimney at least 5 feet in length with a spark arresting screen consisting of ¼ inch mesh hardware cloth. All combustible material must be removed within a 5-foot radius of the perimeter of the stove.

Portable cooking stoves or portable fire pits that use liquefied or bottled gas as fuel must have all combustible material removed within a 5-foot radius of the perimeter of the stove.

In all cases with all types of fires, a shovel, and one gallon of water is required to be present at all times, **except** in designated Wilderness Areas (North Fork Umatilla, North Fork John Day, Wenaha-Tucannon) and the following developed recreation sites on the Umatilla National Forest:

North Fork John Day R.D.

- Bear Wallow Creek Campground
- Big Creek Meadows Campground
- Driftwood Campground
- Frazier Campground
- Gold Dredge Campground
- North Fork John Day Campground
- Olive Lake Campground
- Oriental Campground
- Winom Creek Campground
- Fremont Cabin Rentals (metal or brick fire rings only)

Heppner Ranger District

- Bull Prairie Campground

Pomeroy Ranger District

- Alder Thicket Campground
- Big Springs Campground
- Forest Boundary Campground
- Godman Campground
- Ladybug Campground
- Meadow Creek Campground
- Midway Campground
- Misery Spring Campground

- Teal Spring Campground
- Tucannon Campground
- Wickiup Campground

Pomeroy Ranger District Cabin Rentals:

- Clearwater Big House
- Clearwater Lookout
- Godman Guard Station
- Tucannon Guard Station
- Wenatchee Guard Station
- Approved campfire pits in Summer Homes Tract

Walla Walla Ranger District

- Jubilee Lake Campground
- Mottet Campground
- Target Meadows Campground
- Woodland Campground
- Woodward Campground
- Approved campfire pits in Spout Springs and Tollgate Summer Homes Tract

With tinder dry forest fuels and high daytime temperatures, conditions are prime for potential human-caused forest fires. We ask that you be extremely careful when out on the forest. For more information on public-use restrictions, contact your local Forest Service office or visit our websites:
